PERIOD OF ADVANCE INFORMATION

You are the titleholder of a registry certificate as a citizen of the Union issued with expiry date that accredits your condition as a resident in Spain.

In order for citizens of the member states of the European Union and other states part of the agreement of the European Economic Area to be able to maintain their right of residence in Spain the Article 9, Section B, Subsection I, paragraph S, of the royal decree 240/2007 of the 18th of February establishes that they should have for their own and for the members of their family adequate resources available so as not to become a burden to the Spanish social assistance during their period of residency **and also need to have a health insurance policy that covers all hospitalizations in Spain.**

Between the functions of Article 261 of the regulations of the organic law 4/2000 of the 11th of January approved by the royal decree 557/2011 of the 20th of April of legal application, attributed to the Foreign Offices, it figures the control of maintenance of the conditions that determine the concession of the authorization in the matter of immigration and community regime and therefore they **can check in any moment if community citizens are continuing to fulfil these conditions.**

For this reason, and according to 69.2 of the law 30/1992 of the 26th of November, of legal arrangements of the public administrations and of the common administrative procedure, we are writing to you to inform you of this present requirement and we are notifying you that within ten days from the receipt of this letter of notification you are requested to inform our Foreign Office regarding your means of living resources that you have for your period of your residence in Spain **including the health insurance policy and you need to provide the necessary documentation.**

As we have already mentioned, this advance information has the objective of knowing the circumstances of your actual situation and for us to consider whether or not to begin the corresponding administrative procedure.

Once the time limit set has passed and assessed under these circumstances this matter will be resolved as deemed fit.
