Year 2024
Coverage Appendix

Services	Description	Excesses
Diagnosis	Consultation, dental estimate, treatment plan	Included
	Examination or control visit	Included
	Intraoral X-rays	Included
	Periapical radiographic series	Included
	Occlusal splint	Included
	Digital radiovisiography (RVG)	Included
Preventive dentistry	Topical fluoridations per session	Included
	Dental course (brushing instruction, training in oral hygiene techniques)	Included
	Fissure sealants (per tooth)	17
	Mouth cleaning, hygiene or tartrectomy	Included
	Bicarbonate	Included
	Pulp capping	Included
Conservative dentistry		
Reconstructive dentistry	Post or Pin (per tooth)	8
	Temporary filling	Included
	Fillings with or without pulp capping	39
	Large reconstruction (with or without pulp capping)	50
	Tooth re-implantation	Included
Endodontics	Endodontics: one root canal	80
	Endodontics: two root canals	94
	Endodontics: three or more root canals	129
	Supplement for the use of rotary system in endodontics	20
	Re-endodontics: one root canal	130
	Re-endodontics: two root canals	150
	Re-endodontics: three root canals	150
	Apex formation (per session)	90
	Emergency pulpectomy (including endodontic treatment)	40
	Apicoectomy	50
	Bioactive dentin replacement (cavity base to prevent endodontics)	75

Year 2024
Coverage Appendix

Services	Description	Excesses
Paediatric dentistry	Consultation, dental estimate, treatment plan	Included
	Intraoral X-rays	Included
	Digital radiovisiography (RVG)	Included
	Topical fluoridations per session	Included
	Dental course (brushing instruction, training in oral hygiene techniques)	Included
	Fissure sealants (per tooth). Under 15 years	17
	Mouth cleaning, hygiene or tartrectomy	Included
	Fillings with or without pulp capping. Under 15 years	35
	Reconstruction of permanent molars. Under 15 years	50
	Tooth re-implantation	Included
	Pulpotomy. Under 15 years	44
	Apex formation (per session)	25
	Pulpectomy (including endodontic treatment)	44
	Simple tooth extractions	Included
	Extraction of retained supernumerary tooth (per tooth)	25
	Unilateral fixed space maintainer	58
	Bilateral fixed space maintainer	87
	Removable space maintainer	72
	Prefabricated metal crown (steel)	65
Medical dentistry		
Periodontics	Diagnosis, pocket measurement and treatment plan	Included
	Mouth cleaning (subgingival tartar removal)	0
	Application of fluoride gel for dentin sensitivity	Included
	Curettage, smoothing and root polishing per quadrant	45
	Maintenance and control check-ups	Included
	Periodontal maintenance treatment	70
	Removal of an epulis	40
	Splinting of teeth (per tooth)	28
	Splinting of teeth (per sextant)	135
	Periodontogram	Included
	Coronary elongation	110

Year 2024
Coverage Appendix

Services	Description	Excesses	
Medical dentistry			
Neurological pathology	Dental neuralgia (odontalgia)	Included	
	Facial pain	Included	
	Facial paralysis (therapeutic orientation)	Included	
SURGICAL DENTISTRY	Fenestration	50	
	Frenectomy (lingual or labial frenulum)	30	
	Stitch removal	Included	
	Local, regional and truncal anaesthesia.	Included	
	Sedation with nitrous oxide (30 min. session)	80	
	Simple sutures to facilitate haemostasis	Included	
	Simple drainage. Opening of abscesses	Included	
	Simple tooth extractions	Included	
	Complex tooth extractions. Root remains	Included	
	Extraction of normal (erupted) wisdom teeth	15	
	Extraction of submucous wisdom teeth	15	
	Wisdom tooth surgery (with or without dentin cyst)	25	
	Root amputation (hemisection)	Included	
	Alveolar extraction-related regenerative treatment (including filling materials)	100	
	Alveolar extraction-related regenerative treatment for more than one tooth (including filling materials)	200	
	Surgical periodontics		
	Total gingivectomy (per quadrant)	22	
	Periodontal flap surgery (per quadrant)	150	
Periodontal flap surgery (per tooth)	30		
Periodontal graft surgery (per surgery)	165		
Regenerative membranes	175		
Autologous graft	220		
Alternative filling materials (hydroxyapatite, freeze-dried bone, etc.) Per tooth.	200		

Year 2024
Coverage Appendix

Services	Description	Excesses
DENTAL PROSTHESES		
FIXED		
	Temporary resin crown or bridge (per unit)	20
	Porcelain jacket crown or bridge (per unit)	188
	Porcelain-metal crown or bridge (per unit)	197
	Porcelain-noble/semi-noble metal crown or bridge (per unit)	225
	Metal cast crown or bridge (per unit)	100
	Metal-resin crown or bridge (per unit)	144
	All-ceramic crown (Empress, Inceram, Captek, Mirage, etc.)	299
	Cast post	65
	Resin inlay	65
	Composite inlay	72
	Porcelain repair or fixture	50
	Ackerman Bar (supplement)	70
	Maryland (supplement)	70
	Fixed zirconium crown or bridge	350
DENTAL PROSTHESES		
REMOVABLE		
	Upper or lower full denture	378
	Upper + lower full denture	756
	Denture relines	70
DENTAL PROSTHESES		
REMOVABLE PARTIALS		
ACRYLIC	Resin partial of 1 to 4 teeth	209
	Resin partial from 5 to 6 teeth	281
	Resin partial of 7 teeth and upwards	353

Year 2024
Coverage Appendix

Services	Description	Excesses	
ACRYLIC	Flexible removable partial of 1 to 4 teeth (finished in Valplast, TCS, Flexite, Luflex, Denplux, etc).	487	
	Flexible removable partial of 5 to 6 teeth (finished in Valplast, TCS, Flexite, Luflex, Denplux, etc).	537	
	Flexible removable partial of over 7 teeth (finished in Valplast, TCS, Flexite, Luflex, Denplux, etc).	594	
	Hypoallergenic resins supplement.	48	
METAL CASTS	Skeletal of 1 to 4 teeth	352	
	Skeletal of 5 to 6 teeth	454	
	Skeletal of 7 to 8 teeth	561	
	Skeletal of 9 teeth and upwards	660	
	Supplement of noble/semi-noble metals (allergic) enclosing the guarantee certificate	72	
	Supplement for porcelain teeth (occlusion problems)	90	
	Supplement for aesthetic clasps (unit)	56	
	Simple precision attachments (mixed prosthesis)	108	
	Complex precision attachments (mixed prosthesis)	120	
DENTAL PROSTHESES	OCCLUSION	Simple discharge splint (bruxism, teeth clenching)	108
		Complex discharge splint (joint pathology)	238
		Occlusal analysis (study models)	Included
		Selective drilling (per quadrant)	Included
		Removing or cutting crowns or bridges	Included
		Neuro-occlusal rehabilitation session	72
		Review and adjustment of joint pathology splint	28
		Axiography and specific diagnostic tests	180

Year 2024
Coverage Appendix

Services	Description	Excesses
DENTAL PROSTHESES REPAIR	In-consultation relining of removable prosthesis using self-hardening material	50
	Laboratory relining of removable prosthesis	65
	Repairing removable prosthesis per tooth or clasp to be added	51
	Repairing split resin device	45
	Repairs to ceramic veneers	50
	Repairs to resin veneers	43
	Welding of metal (fixed bridge, skeletal, etc.)	36
	Cementing crowns and bridges (detached or fallen out)	22
	Occlusal adjustments to dentures already in place	Included
	Other repairs	36
Aesthetics	Aesthetic composite veneers	125
	Aesthetic porcelain veneers	195
	Porcelain inlay	175
	Porcelain and special effects supplement (aesthetics)	72
	Tooth whitening with splints at home (complete treatment).	216
	In-consultation tooth whitening. Any technique (plasma or laser)	250
	Combined whitening in consultation (any technique) and at home (whitening kit)	320
	Non-vital tooth whitening per tooth	53
Orthodontics	Cephalometric study, assessment and diagnosis	50
	Photographic study	30
	Study models and preparation on plaster	Included
ORTHODONTICS DIAGNOSIS		

Year 2024
Coverage Appendix

Services	Description	Excesses
Orthodontics		
SPACE MAINTAINERS	Unilateral fixed space maintainer	58
	Bilateral fixed space maintainer	87
	Removable space maintainer	72
	Re-cementing maintainer	22
	Prefabricated metal crown (steel)	65
Orthodontics		
FIXED APPLIANCES	Appliances per jaw (fixed archwires, metal brackets, etc.)	340
	Check-up and treatment visits for fixed appliances	30
	Supplement for fixed orthodontic with self-ligating brackets per jaw	140
	Steel appliances for both jaws (fixed archwires, metal brackets, etc.)	680
	Quaghelix	123
	Extraoral facebow and archwire treatment	188
	Extraoral Delaire face mask treatment	252
	Orthodontic micro-implant or micro-screw	100
	Bracket or band replacement.	25
	Orthodontic periodontal check-up in children over 14 years of age	30
	Orthodontics	
REMOVABLE APPLIANCES	Appliances per jaw	275
	Appliances both jaws	550
	Check-up and treatment visits removable	25
	Positioner appliance (per appliance)	144
	Mouth breathing appliance (per device)	87

Year 2024
Coverage Appendix

Services	Description	Excesses
Orthodontics		
STABILISING APPLIANCES	Stabilising appliances (per appliance)	108
	Post-treatment check-up visits	25
Orthodontics		
AESTHETICS	Supplement fixed orthodontics with aesthetic appliances (Porcelain/Sapphire Bracket) per jaw	180
	Supplement fixed orthodontics with aesthetic lingual technique	1442
Implantology		
	Implant study	Included
	Pre-prosthetic surgery	Included
	Titanium implant	625
	Cemented implant	Included
	Abutment healing cap	Included
	Titanium false stump	216
	Metal-ceramic crown on implant	303
	Resin crown on implant	274
	Zirconium crown on implant	350
	Super or mesostructures (per piece)	87
	Prosthetic posts (intermediate pieces)	247
	Overdentures	900
	Attachment system for overdentures (balls, locator etc...) per unit	240
	Metal-resin fixed arch	2880
	Surgical splint	Included
	X-ray splint	Included
	Regenerative filling material	200

Year 2024
Coverage Appendix

Services	Description	Excesses
Implantology	Resorbable membrane and/or titanium mesh	204
	Platelet-rich plasma (P.R.G.F.)	150
	Closed maxillary sinus lift	130
	Open maxillary sinus lift	350
	Annual cleaning and revision of implants	50
	Vestibuloplasty (per quadrant)	75
	Alveoloplasty	99
	Maxillary remodelling	99
Dental radiology	Orthopantomography	Included
	Lateral cranial teleradiography	Included
	TMJ radiography	Included
	Dental Scan (one jaw)	80
	Dental Scan (both jaws)	110
Oral/dental technological innovations		
Surgical dentistry	Supplement for the use of the diode laser in periodontal surgery (per medical act).	55
	Periodontal guided tissue regeneration (GTR) techniques with resorbable membrane.	350
	Collection and application of platelet-rich plasma (periodontal regenerative therapy)	150
	Open maxillary sinus lift	320
Oral/dental technological innovations		
Endodontics	Supplement for the use of microscopy in endodontics	Included

Year 2024 Coverage Appendix

Services	Description	Excesses
Oral/dental technological innovations		
Invisible orthodontics	Complete treatment of both jaws for up to 12 months	3,310
	Complete treatment of both jaws for up to 24 months	4,200
Oral/dental technological innovations		
Three-dimensional (3D) image-guided dental implantology	Guided implantology treatment planning/study	125
	CAD-CAM-guided implantology supplement (per unit)	Included
	Implant guided surgery splint	375
Oral/dental technological innovations		
Smile design aesthetic dental veneer	Models of analysis and photographic study	Included
	Aesthetic diagnostic waxing	Included
	Mock-up (Temporary veneer)	Included
	Study presentation report (all of these records can be kept by the patient)	Included
	Porcelain veneer using three-dimensional technique	440
Oral/dental technological innovations		
Aesthetics	Lithium disilicate veneer	410
Oral/dental technological innovations		
Sleep apnoea-hypopnoea syndrome - OSAHS-	Study, articulator set-up and recording, including radiology (orthopantomography, teleradiography).	75
	Sleep Apnoea Treatment Splint - 2 year guarantee on the splint.	800
	Review and adjustment of sleep apnoea splint.	35
	Repair, relining and fitting of sleep apnoea splint. Included	included
